

Sugarcult, Crying

Picking up the pieces of a life you've broken
Stiching it together with the seams wide open

(Chorus)

You keep crying, crying, crying
till you cannot see at all
You keep crying, crying, crying
til' you cannot breath at all
What do you do when your alone?
What do you do when no one's home?
What do you do when your alone?
Out of control,
now on your own

Never waking up,
the alarm is broken
Running in a dream and it's like slow motion

(Chorus)

alone ... alone ...

Is there anyone out there?
Is there anyone out..
All I need are the details
Just to find a way out

Is there anyone out there?
Is there anyone out..
All I need are the details
and a map of your mouth

(Chorus)

You can't break away
what you cannot change
You can't break away
You can't break away
You can't break away
what you cannot change
You can't break away
You can't break away
