

# Sugarland, Settlin'

Fifteen minutes left to throw me together  
For Mr. Right Now, not Mr. Forever  
Don't know why I even try when I know how it ends  
Lookin' like another, "Maybe we can be friends."  
I've been leaving it up to fate  
It's my life so it's mine to make

Chorus:

I ain't settlin'  
For just getting by  
I've had enough so-so  
For the rest of my life  
Tired of shooting too low  
So raise the bar high  
"Just enough," ain't enough this time  
I ain't settlin' for anything less than everything

With some good red wine  
And my brand new shoes  
Gonna dance a blue streak around my living room  
Take a chance on love, and try how it feels  
With my heart wide open  
Yeah, you know I will  
Find what it means to be the girl  
Who changed her mind  
And changed the world

Repeat chorus

I ain't settlin'  
For just getting by  
I've had enough so-so  
For the rest of my life  
Tired of shooting too low  
So raise the bar high  
"Just enough," ain't enough this time

I ain't settlin'  
For just getting by  
I've had enough so-so  
For the rest of my life  
Tired of shooting too low  
So raise the bar high

I ain't settlin'  
No, no, no, no, no, no  
So raise the bar high, high
