

Sugarplum Fairy, In Berlin

I'm with you in Berlin
Hide inside a dark hotel
Outside is anarchy and hell
Lost souls rebel

In Berlin
I rather die then stay with you
There is nothing left for me to do
Here's my adieu

So, can you hear me when I walk away?
You didn't hear me when I tried to stay
I'm with you in Berlin

Can you hear me when I walk away?
You didn't hear me when I tried to stay
I'm with you in Berlin

I'm with you in Berlin
I walk along a burning street
But I can't feel the heat
Down fall concrete

In Berlin
The martyrs got a hold of you
The orphans dying eyes are blue
Nothing spells true

So, can you hear me when I walk away?
You didn't hear me when I tried to stay
I'm with you in Berlin

Can you hear me when I walk away?
You didn't hear me when I tried to stay
I'm with you in Berlin

Can you hear me when I walk away?
You didn't hear me when I tried to stay
I'm with you in Berlin

Can you hear me when I walk away?
You didn't hear me when I tried to stay
I'm with you in Berlin

Alone

Alone is how I stand in the end
In Berlin is how I Stand in the end

Alone is how I stand in the end
In Berlin is how I Stand in the end

Alone is how I stand in the end
In Berlin is how I Stand in the end

In Berlin
