

# Suicidal Tendencies, Feel Like Shit... Deja-Vu

Don't you tell me that I'm dreaming 'cause I've been here  
before  
But that don't mean that I want to be from here anymore!

Cause I feel like shit-but who are you to say  
I don't know I had to have a right to feel this way  
I feel like shit-time after time  
So don't be trying to tell me it's all in my mind  
I feel like shit-but you don't really care  
Except my God he used a four letter word in there

I feel like shit-what am I to you?  
I feel like shit. Deja vu!  
And when I feel like shit, I feel like shit!

I feel like shit-I'm sorry to say  
Do you fuckin' think I like feeling this way  
I feel like shit-what do you expect me to do  
I feel like shit, deja vu!

This ain't my imagination  
Lost all thoughts and concentration  
Time goes on day after day  
But still I feel the same fuckin' way!  
Feel like shit, deja vu!

Always feeling out of place  
Hiding behind a smiling face  
There just ain't no pretty words  
Can't you see it fuckin' hurts!

You know I feel like shit-deja vu  
Feel like shit-deja vu  
Feel like shit-deja vu  
And when I feel like shit I feel like shit
