

# Suicidal Tendencies, How Will I Laugh Tomorrow

Here I sit and watch my world come crumbling down (Crumbling down)  
I cry for help but no one's around  
Silently screaming as I bang my head against the wall (Against the wall)  
It seems like no one cares at all

Always an emotion, but how can I explain; how can I explain?  
Kind of like the scent of a rose, with words I can't explain, the same with my pain  
Caught up in emotion, goes over my head; (Goes over my head)  
Sometimes I got to think to myself is this life or death, am I living or am I

The clock keeps ticking, but nothing else seems to change (Seems to change)  
Problems never solved, just rearranged  
And then I think about all the times that I've had (That I've had)  
Some were good

I search for personality. I look for things I couldn't see  
Peace and love flash through my mind but - pain and hate is all I ever would find  
Find no hope in nothing new and I never ever had a dream come true  
Lies and hate and agony; through my eyes that's all I see

If I'm gonna cry, will you wipe away my tears?  
And if I'm gonna die, Lord please take away my fear  
Before I drown in sorrow, Well I just want to say;  
How will I laugh tomorrow, when I can't even smile today

Today (today) today; when I can't even smile today  
Today (today) today; when I can't even smile today  
Today (today) today; when I can't even smile today  
Today (today) today; when I can't even smile today

You think something's funny...  
If you wanna laugh... why don't you laugh at this?

So when I look outside my room  
I see the world, but not the reason  
What is done to me is not fair  
You call it fair I call it treason  
But I know not what to do  
Give me a sign I'll take whatever  
But if you want me here I am  
Ain't gonna die forever

And I tried to hold ya  
But you just turned away  
And I tried to tell ya  
But not a word I say  
I cried out so loudly  
But you just covered your ears  
I gave you all the signs,  
but you ignored my tears

So if you want me here I am  
I sit here waiting for your decision  
But my body fights my mind  
I headed straight for a collision  
So am I getting near or am I still  
Looking in all the wrong places  
But the only thing that seems to change  
Are the looks on the faces...

And I try to hold ya  
And I try to tell ya  
And I gotta

And I gotta, and I gotta, and I gotta, and I gotta, and I gotta, and I gotta, and I gotta,  
Gotta, gotta, gotta, gotta, gotta, gotta, gotta

How will I laugh tomorrow? (How will I, How will I, How will I)  
How will I laugh tomorrow? (How will I, How will I, How will I)  
How will I laugh tomorrow? (How will I, How will I, How will I)  
How will I laugh tomorrow? (How will I, How will I, How will I)

When I can't even smile  
Can't even smile  
I can't even smile today  
When I can't even smile  
Can't even smile  
I can't even I can't even smile today  
Smile today  
But I can't even smile  
How will I laugh tomorrow?

Doesn't anyone...It seems like no one cares at all  
Doesn't anyone even care at all  
It seems like no one cares at all  
Doesn't anyone even care at all  
It seems like no one cares at all

How will I laugh tomorrow?  
How will I laugh tomorrow?  
How will I laugh tomorrow?  
How will I laugh tomorrow?  
When I can't even smile today

Today (today) today; when I can't even smile today  
Today (today) today; when I can't even smile today  
Today (today) today; when I can't even smile today  
Today (today) today; when I can't even smile today
