

# Suicidal Tendencies, I Shot Reagan

I shot Reagan I shot Sadat  
I'm gonna shoot you dead in heaven you'll rot  
You're gonna rot in heaven, hear an Angels voice  
You're too bad for hell although it's your first choice

Rot in heaven, you're too bad for hell  
Rot in heaven, cause you're forgiven in hell

I shot Lennon, I shot the Pope  
I shot the devil now you ain't got no hope  
You're gonna rot in heaven, hear an Angels voice  
You're too bad for hell although it's your first choice
