Suicidal Tendencies, I Shot Reagan

I shot Reagan I shot Sadat I'm gonna shoot you dead in heaven you'll rot You're gonna rot in heaven, hear an Angels voice You're too bad for hell although it's your first choice

Rot in heaven, you're too bad for hell Rot in heaven, cause you're forgiven in hell

I shot Lennon, I shot the Pope I shot the devil now you ain't got no hope You're gonna rot in heaven, hear an Angels voice You're too bad for hell although it's your first choice
