

Suicide Commando, Close Your Eyes

Close your eyes for the real world
And dream of how it might have been

Close your eyes for the real world
It's much too ugly and always will

We're killing nature
We're killing men

The blood and the violence
The hate and the sin

Close your eyes for the real world
And dream of how it might have been

Close your eyes for the real world
It's much too ugly and always will

Close your eyes ...

Close

Close your eyes for the real world
