Suicide Commando, Close Your Eyes

Close your eyes for the real world And dream of how it might have been

Close your eyes for the real world It's much to ugly and always will

We're killing nature We're killing men

The blood and the violence The hate and the sin

Close your eyes for the real world And dream of how it might have been

Close your eyes for the real world It's much to ugly and always will

Close your eyes ...
