

# Suicide Commando, Delusion

It's like a maggot  
Digging in a rotten brain  
It's like a leech  
Suck my blood  
Demented serpents  
Coming to infect the brain  
Return my mind  
Return my brain

I see black demons  
Trying to disrupt my mind  
Mental disturbance  
I feel no pain  
Severe dementia  
Realize it's my decay  
Delusive moment  
Delusive mind
