

# Suicide Commando, Menschenfresser (Eat Me)

I love the thought you're eating me  
It's my desire to be eaten by you  
I am your flesh be part of me  
I'm looking forward to be slaughtered by you  
I love the pain inside of me  
Let's go to diner for the very last time  
It sounds insane but not to me  
It's the perversion of a really sick mind hang me nail me

Anything that pales me eat  
The other half of me kill me rape me  
Anything that hurts me eat  
The other half of me nail me  
Anything that pales me eat  
The other half of me kill me rape me  
Anything that hurts me eat  
The other half of me...
