Suicide Commando, Menschenfresser (Eat Me)

I love the thought you're eating me
It's my desire to be eaten by you
I am your flesh be part of me
I'm looking forward to be slaughtered by you
I love the pain inside of me
Let's go to diner for the very last time
It sounds insane but not to me
It's the perversion of a really sick mind hang me nail me

Anything that pales me eat
The other half of me kill me rape me
Anything that hurts me eat
The other half of me nail me
Anything that pales me eat
The other half of me kill me rape me
Anything that hurts me eat
The other half of me...
