

# Suicide Commando, The Killing Game

1, 2, 3, 4 Bodies high on the floor.

5, 6, 7, 8 Dying to lose your fate.

We're all gone insane.

Life is just a killing game.

Killing you, killing me;

It's just all the same.

1, 2, 3, 4 What on earth are you waiting for?

5, 6, 7, 8 Why don't you celebrate?

We're all gone insane

Life is just a silly game

Killing, hurt, raining death

We all die in vain.

1, 2, 3, 4 Bodies high on the floor.

5, 6, 7, 8 Dying to lose your fate.

We're all gone insane.

Life is just a killing game.

Killing you, killing me;

It's just all the same.
