

Suicide Commando, Torment Me

Punish, scraping the flesh
Pleasure, raping your soul
Rotten, breeding aggression
Reaper, rip out your soul
Crucified, bring on the heathen
Exorcised, bring on the demons
Sacrificed, bring on the evil
Parasite, bring on your death to me

Torment me, I want to feel your pain
Torment me, this is no stupid game
Torment me, I want to feel your pain

Torment me, torment me
Destroy me, despise me, disgust me
