

# Suicide, Gore

Assailant but victim  
Anti-humanitarian has fate  
Formidable arised  
Took the soul then the rest

Possessed unstable, untamed  
Evolved and flourished  
Locomotion like apes  
Awakened hostile to the core

Sages conflict, gore around  
Brutal bloody advanced  
Zealot of lust and pain  
Abuse, antagonize the progressed

Fierce attacks  
Zero tolerance  
Ruin the sacred fantasy  
Gore stands within your reflection.
