

# Suicide Silence, Eyes Sewn Shut

Sewing the eyes shut of the  
man who saw god  
And ceasing the lies that  
spill from his jaw [2x]  
He won't be able to hear  
where the screams are coming from [2x]  
Sewing the eyes shut of the man who saw god  
And ceasing the lies that spill from his jaw  
It's just an endless abyss of pain and torment  
And he will wonder where the  
screams are coming from  
And how does he know  
Their cries [2x]  
Because it's your fucking flock  
heading to the butcher [2x]  
As the tears began to burn like acid  
As they spill from his eyes [2x]  
Sewing the eyes shut of the man who saw god  
And ceasing the lies that spill from his jaw  
And as I torture and kill  
The ones who followed him  
In his lies (3x)  
Followed him in his lies
