

# Sullivan, Great For My Collection

Sit down, I've got a story to tell you  
Dare you to guess how it ends  
Notice the lack of my expression  
As blood and ether blend

Do you know how it feels to get cut down?  
Do you know? Do you know? Do you know?

How far do you want to go over?  
How far do you want to take all of this?  
How far do you want to go over?

Lead me into this conversation  
Tell us what you have to say  
You'll be great for my collection  
Sister, this all ends today

Do you know how it feels to get cut down?  
Do you know? Do you know? Do you know?

How far do you want to go over?  
How far do you want to take all of this?  
How far do you want to go over?

How far do you want to go over?  
How far do you want to take all of this?  
How far do you want to go over?

And I'll take you to the end  
Where the branches meet the sky  
And I'll tell you that I always loved you  
And then I'll show you why  
Don't take me on

Sit down, sit down, sit down, sit down  
How far do you want to go over?  
(Sit down, sit down, sit down)  
How far do you want to take all of this?  
(Sit down, sit down, sit down)  
How far do you want to go over?  
(Sit down, sit down, sit down)

Sit down, sit down, sit down  
I've got a story to tell you  
(Sit down, you're falling off the map today.)  
Dare you to guess how it ends  
(And no one knows you're gone)  
Sit down, I've got a story to tell you  
Dare you to guess how it ends  
(You're falling off the map today.  
And no one knows you're gone)  
Sit down, I've got a story to tell you  
(You're falling off the map today.)  
Dare you to guess how it ends
