

Sum 41, Second Chance For Max Headroom

Ah

Not enough you passed it for a while,
You can't afford the amass of denial.
Don't explain, you can't arcane it too.
Your lies surpassed your doubt.

Don't do something you'll regret (x2)

Ah

Not enough you passed it for a while,
Your minds mistake,
The time you take,
Time worth throwing all away.

It's not enough attention,
Though you're too proud to mention,
I can't go on pretending,
That it's still the same (x6)
