

# Sum 41, The Hell Song

Everybody's got their problems  
Everybody says the same thing to you  
It's just a matter how you solve them  
And knowing how to change the things you've been through  
I feel I've come to realize  
How fast life can be compromised  
Step back to see what's going on  
I can't believe this happened to you  
This happened to you

It's just a problem that I'm faced with  
Am I not the only one who hates to stand by  
Complications headed first in this line  
With all these pictures running through my mind  
Knowing endless  
Consequences  
I feel so useless in this  
Get back, step back and as for me  
I can't believe

Part of me, won't agree  
Cause I don't know if it's for sure  
Suddenly, suddenly  
I don't feel so insecure  
Part of me, won't agree  
Cause I don't know if it's for sure  
Suddenly, suddenly  
I don't feel so insecure  
Anymore

Everybody's got their problems  
Everybody says the same thing to you  
It's just a matter how you solve them  
But what else are we supposed to do

Part of me, won't agree  
Cause I don't know if it's for sure  
Suddenly, suddenly  
I don't feel so insecure  
Part of me, won't agree  
Cause I don't know if it's for sure  
Suddenly, suddenly  
I don't feel so insecure  
(Anymore)  
Why do things that matter the most  
Never end up being our choice  
(Anymore)  
Now that I find out it ain't so bad  
I don't think I knew what I had  
(Anymore)  
Why do things that matter the most  
Never end up being our choice  
(Anymore)  
Now that I find out it ain't so bad  
I don't think I knew what I had
