

# Sum Less Than, Best Of Me

It's so hard to say that I'm sorry  
I'll make everything alright  
All these things that I've done  
What have I become, and where'd I go wrong?  
I don't mean to hurt just to put you first  
I won't tell you lies  
I will stand accused  
With my hand on my heart  
I'm just trying to say

I'm sorry  
It's all that I can say  
You mean so much  
And I'd fix all that I've done  
If I could start again  
I'd throw it all away  
To the shadows of regrets  
And you would have the best of me

I know that I can't take back all of the mistakes  
But I will try  
Although it's not easy  
I know you believe me  
Cause I would not lie  
Don't believe their lies  
Told from jealous eyes  
They don't understand  
I won't break your heart  
I won't bring you down  
But I will have to say

I'm sorry  
It's all that I can say  
You mean so much  
And I'd fix all that I've done  
If I could start again  
I'd throw it all away  
To the shadows of regrets  
And you would have the best of me

I'm sorry  
It's all that I can say  
You mean so much  
And I'd fix all that I've done  
If I could start again  
I'd throw it all away  
To the shadows of regrets  
And you would have the best of me
