

Sum Less Than, With Me

I don't want this moment
To ever end
Where every thing's nothing, without you
I wait here forever just to,
To see you smile
Cause it's true
I am nothing without you

Through it all
I've made my mistakes
I'll stumble and fall
But I mean these words

(Chorus)
I want you to know
With everything, I won't let this go
These words are my heart and soul
And I'll hold on to this moment you know
As I bleed my heart out to show
And I won't let go

Thoughts read unspoken
Forever and know
Pieces of memories
Fall to the ground
I know what I did and how so
I won't let this go
Cause it's true
I am nothing without you

On the streets, where I walked alone
With nowhere to go
I've come to an end

(Chorus)

In front of you're eyes
It falls from the skies
When you don't know what you're looking to find
In front of you're eyes
It falls from the skies
When you just never know what you will find
(What you will find (x4)

I don't want this moment
To ever end
Where every thing's nothing, without you
(Chorus x2)
