

# Summer Walker, Playing Games (with Bryson Tiller)

whip, bought it  
crib, got it  
job, on it  
did I ever  
ask you to take me to go  
shopping in Paris or go  
sailing overseas and just  
Drape me in Gucci?  
no  
all I ever asked was you to  
show me some love

kisses and hugs  
no, I never had an issue  
got to the club with your boys, baby, I  
never wanted you to stay too long  
just wanted you to show me off
