

Sun Kil Moon, Four Fingered Fisherman

You're in the back seat and you say to yourself
"it doesn't matter anyway";
Weeds pulling weeds and your Blaming yourself
We're all indifferent in our own ways
You're in trouble now and you say to yourself
"My baby clean conscience anyways";
You're in the back seat and you say to yourself
"It doesn't matter anyway";
Four fingered fisher man alright
finger four fisher man so uptight
hello
you're getting on no one
you're both right
Four fingered fisher man alright
