

Sunk Loto, Vinegar Stroke

Falling down for all the vinegar stroke yeah
Another two way line
You tried to stab me in the back you know but
I just spit in your eye
What?! You wanna start some weak minute nights yo
But I dont understand
Yeah you had to make her cry
Her cry!

Yeah, oh, yeah
I'm cruel to myself

Falling down for all the vinegar stroke yeah
Another two way line
You tried to stab me in the back you know but
I just spit in your eye
What?! You wanna start some weak minute nights yo
But I dont understand
Yeah you had to make her cry
Her cry!

Yeah, oh, yeah
I'm cruel

You hit the floor and stop
You hit the floor and stop
You hit the floor and stop
You hit the floor
You hit the floor and stop
You hit the floor and stop
You hit the floor and tastes like shit

You trying to tell me how much that you missed her
You wanna tell me, you waving ya
A 1 2 3 I wanna be just like you
I wish I could, I wish I could

Yeah!
I'm cruel to myself
I'm cruel to myself
