

Sunna, O.D.

Fill my tub
Top it up
I don't like water
Can I do this
Feeling sick
Gonna drown
Still I wonder what it's like to breath
Help me in
Hold me under
Don't give in
Feel me struggle
Don't give in
Gonna drown
Watch me bubble now I'm breathing in

I've O.D. blow my head off under water
Empathy is the drug in demand
Breath in
You won't save me breath in it's tasty yeah
You won't change me
Breath in

I've O.D. blow my head off under water
Empathy is why I do all I can
That's why I do all I can

Fill my tub top it up
I don't like water
Can I do this
Feeling sick, gonna drown
Watch me bubble now I'm breathing in

Breath in
You won't save me
Breath in
Yeh it's tasty yeah
You won't change me
Breath in

I've O.D. blow my head off under water
Empathy is the drug in demand
I've O.D. blow my head off under water
Empathy is why I do all I can yeah
I've O.D. blow my head off under water
