

Sunrise Avenue, Keep Dreamin'

You've been crying like there ain't nothing for you
Sunrise I've seen you loose all you can
You've seen signs that say the game is over now
Avenue You fear you loose in the end
And it's easier for them you say
Keep It's easy they were made so strong
Let me keep dreaming
Dreamin' Let you and I belong here
Shining all the way
Always holding on through every new
Songtexte through every night
A dream is all we need
I know there ain't nothing in this world for you
Songtext I've seen them taken away
You fought hard enough to make it a way through
Lyrics Still lying half way there
And it's easier for them we say
Lyric It's easy they were made so strong
Let me keep dreaming
Liedertexte Let you and I belong here
Shining all the way
Always holding on through every new
Liedertext through every night
A dream is all we need
Let me keep dreaming
Alle Let you and I belong here
Shining all the way
Always holding on through every new
Sunrise through every night
A dream is all we need
Keep dreamin'...
