Sunset Black, Empty Promises

Finding your reasons
You're finding your way back here
Finding your reasons
You're finding your reasons here

And it falls away
And you're hanging on
And it falls away
And you're hanging on

Carry on
I'll find in you
Dreaming all
I am for you
Wishing I
Could be the one
I'm burning out
Before the sun

I surround you
And everything
I surround you
And everything

Dreaming lies
They always fade
I never know
When to pay
I'm wishing you
Believed in me
I'm hanging on
For eternity

I surround you
And everything
I surround you
And everything

But
Everything
Everything
Everything falls away
No
Everything
Everything
Everything falls away

No
Everything
Everything
Everything falls away
No
Everything
Everything
Everything falls away

Stop bringing me down

I knew I gave, I
I pushed too much
I wanted more
I let you go
Right out the door
I would die for you

I would bleed for you
I believe in you
I need you
And I don't want to be alone
Without you
And I don't want to be alone
