

Super Furry Animals, Bad Behaviour

Bad! Bad! Bad! Bad! Behaviour (X4)

Bad behaviour
Was my saviour
Makin' mischief
Used to make my day
Subsequently
Accidentally
I put my fist
Through a windowpane!

Bad! Bad! Bad! Bad! Behaviour (X4)

I remember
Once I had a brain
Amnesia
Never crossed my mind
Tonsillitis
Was my alibi
Truancy was
My vocation!
