

# Super Furry Animals, Hangin' With Howard Marks

You and me  
And the guy from the Sparks  
Hanging out with Howard Marks

We're the three musketeers yeah  
Gather round with your beers yeah  
There's no need for the fears

Throw a penny into my plastic satellite dish  
And make a wish  
I wish you farewell  
Buy buy! Sell sell!  
I bid you goodbye  
Sell sell! Sky-high! Sell sell!  
Ooh ooh ooh ooh

A big fax  
And a portion of lies  
Washed down with a dire choke

Pass the mic to your lover  
Turn around and find another  
Pass the buck to your brother

Throw a penny into my plastic satellite dish  
And make a wish  
I bid you farewell  
Buy buy! Sell sell!  
I bid you goodbye  
Sell sell! Sky-high! Sell sell!  
Ooh ooh ooh ooh
