

Super Furry Animals, No Sympathy

I have no sympathy for you
You make me realise
The who I am

I have no sympathy for thee
You make me realise
The who I am not

Sympathy, sympathy
You want some:
Don't come to me

Don't try me for sympathy
I don't feel sorry for thee:

You deserve to die

I have no adjectives for you
And have no feelings
For the who you are

I feel no empathy for you
You make me realise
The who I am not.

Sympathy, sympathy
You want some:
Don't come to me

Don't try me for sympathy
I don't feel sorry for thee:

You deserve to die.
