## Super Furry Animals, Sex, War & Robots

Twenty Twenty Vision 2 see Said a little voice 2 me I can see

Tell me what was it like When U switched off the lights Went to bed before midnight Fail to find you at home that night

So finally Its got to be Down, down to me

Living 94 When me and you were at war Iz born a baby that didnt cry Programme Robots 2 make them lie

Twenty twenty vision to see I can see

So finally Its got to be Down, down to me

If tears could kill Id be a long time gone
