

Super Junior, The One I Love

I forget when it started
I don't know why I'm like this
A day seems so long and doesn't seem to have an end
How does another morning come? I don't know
I can't do anything while not doing anything
I look at the slow time
Where are you? What are you doing?
Because I only think of one person
I shouldn't be doing this, I know
I know that I can't love you
My confession will make you go through more pain
I know, I know
Even though I knew (I knew)
I can't do anything (can't)
I can only think of you
If I close my two eyes or open them again
I can only think of one person
The memory I can't erase for one second (even today)
I just think of you
I can't do anything while not doing anything
I look at the slow time
Where are you? What are you doing?
Because I only think of one person
Because I think of that one person
