

Superchick, Bean Burrito

I have a bean burrito
Anyone wanna eat it
I have a bean burrito
It's very tasty
I have a bean burrito
(Knock Knock)

Chorus:
Superchick is on the run
Superchick is having fun
Losership is not the one
For popularity(x2)

I have a bean burrito
It's not fruity
you taste it you say yum
Hum hum doo lum lum lum
(to the chorus)

Because superchick is serving God
