

# Superdrag, Blown Away

gonna tell you from the start babe  
sometimes I fall so hard I break  
I wanna stay till it's dark babe  
go back home some other day  
I'm blown away. that's all I can say  
you got me babe. lost it all the way  
yeah you got me babe. if that's ok  
hard to leave you on the steps girl  
harder still to stay away  
you're the one who's spinning my world  
just believe me when I say  
I'm blown away...
