

# Superflea, Baby Blue

Your names are always so sad..  
are you just being  
a little pessimistic?  
it's life,what can I do?  
when you're sitting next to me  
and I just want you to be free  
but it's late  
watch out for me..  
when you're lonely I will lend you  
my second hand necklace  
baby blue,what can we do?  
it's the story of my life..  
baby blue,what can we do,  
all we ever wanted was love
