

Superflea, Easy

You said it yourself
love gives, love takes
but if love is madness
call me crazy
I had this dream
you were in it
I felt so pretty
because you were with me

But when I woke up
it had gone
the bed felt cold, huge and empty
be yourself
you're so easy
and fun to be around
be yourself
you're so easy
I promise one day
we'll laugh about it
