

Superheist, Deliverance

Open your eyes to realize that there's a broken mind for mankind
Hypocrisy for the masses a cultured virus distracts
Can you walk the demon walk can you talk that silent talk
Respect don't expect its time evolution of the mind

Hey! yeah you're the prize recruit
Hey! yeah you're the prize recruit
Hey! yeah you're the prize recruit
Hey! yeah you're the prize

Well are you ready to break every rule that they make
Don't try to pacify me
Hey! well are you ready to break every rule that they make
Don't try to pacify me

Turn up loud turn up proud to gather around broken shrouds
For the shadows of power monopolised by the hour
Can you hear the party ranks doing their party pranks
cos now it's time Evolution of the mind

Hey! yeah you're the prize recruit
Hey! yeah you're the prize recruit
Hey! yeah you're the prize recruit
Hey! yeah you're the prize

Well are you ready to break every rule that they make
Don't try to pacify me
Hey! well are you ready to break every rule that they make
Don't try to pacify me
pacify x12

Well are you ready to break every rule that they make
Don't try to pacify me
Hey! well are you ready to break every rule that they make
Don't try to pacify me
