

Superheist, Liberate

Rise! You're trembling again,
Still wonderin' why and when,
Coming down seems so hard

PRE-CHORUS

Rise! If you'd only,
Rise! Liberate and Rise!
Living is a dream that I can override!

CHORUS

Kill me tonight, So it feels right,
The lesson, The lesson is,
Between the lines, It comes in time,
It's so hard, It's so hard, (superheist!)

You fail to understand,
You're trying to pretend,
I found the need is so hard!

PRE-CHORUS

CHORUS

BRIDGE

Breathe in time,
Synchronising all mankind

Kill me tonight, So it feels right,
Between the lines, It comes in time

CHORUS

Rise!!!
