

Superheroes, Turn Me On

I can see your diamond rings and your glamorous pearls
I see your pretty face, but I don't care
'Cause you just don't turn me on
And when you do that thing with your hand
Trying to make me approach you
Then you just don't turn me on
Then you just don't turn me on

You just don't turn me on
I'm rejecting you every time
You just don't turn me on
I'm rejecting you every time
Everytime

Don't try to touch me I'm immune
You can't impress me with anything that you do
So please don't follow me to my hotel suite
Even though I think you're kinda neat

You just don't turn me on
I'm rejecting you every time
You just don't turn me on
I'm rejecting you every time
Everytime
