

Supersister, Hey Baby

Hey baby

Hey Baby

I'm the kind of girl that hangs with the guys

Like a fly on the wall with my secret eyes

Takin it in, try to be feminin

With my makeup bag watchin all the sin

Misfit, I sit

Lit up, wicked

Everybody else surrounded by the girls

With the tank tops and the flirty words

I'm just sippin on chamomile

Watching boys and girls and their sex appeal

With a stranger in my face who says he knows my mom

And went to my high school

All the boys say

Hey baby, hey baby, hey

Girls say, girls say

Hey baby, hey baby, hey

Hey baby, baby

Hey baby, hey baby, hey

Boys say, boys say

Hey baby, hey baby, hey

All the boys get the girls in the back, back, back

I'm the one they feed upon

Give a bit a star is born

And if your hot enough you'll get the pass

So you can tell your friends how you made it back

No matter what they say I'm still the same

Somehow everybody knows my name

And all the girls wanna get with the boys

And the boys really like it

All the boys say

Hey baby, hey baby, hey

Girls say, girls say

Hey baby, hey baby, hey

Hey baby, baby

Hey baby, hey baby, hey

Boys say, boys say

Hey baby, hey baby, hey

All the boys get the girls in the back

Check it out, it's Bounty Killer, No Doubt

Jump on the stage cause we goin crazy

Afterwards myself and one of them gorgeous ladies

There is no need to be actin shady

C'mon baby, hey hey baby

Jump on the stage cause we goin crazy

Afterwards myself and one of them gorgeous ladies

There is no need to be actin shady

C'mon baby, hey hey baby

When you rock your hips you know that - it amaze me

Caught me off the hook and nothing else don't phase me

Try to be my one and only sunshine baby

If no maybe, Hey Baby

I'm just sippin on chamomile

Watching boys and girls and their sex appeal

With a stranger in my face who says he knows my mom

And went to my high school

All the boys say

Hey baby, hey baby, hey

Girls say, girls say

Hey baby, hey baby, hey

Hey baby, baby

Hey baby, hey baby, hey

Boys say, boys say

Hey baby, hey baby, hey

Try to be my one and only sunshine baby

Hey baby, hey baby, hey

Girls say, girls say

Hey baby, hey baby, hey

When you rock your hips you know that - it amaze me

Hey baby, baby

Boys say, boys say

Hey baby, hey baby, hey

All the boys get the girls in the back
