

Supertramp, Forever

I will always love you true forever
Forever, I will always love you true
Hope you'll feel the same way too forever
Forever, I hope you feel the same way too
Want to spend my life with you forever
Forever, I want to spend my life with you

My life with you, my life with you, uhu
Life with you, my life with you, uhu

Love you 'till the day I die, yeah forever
Forever, love you 'till the day I die
So I'll sing this song to you forever
Forever, I will sing this song to you

Song to you, song to you
Song to you, song to you....

I really love you, I really need you..
I really love you, I think about you....
