

# Supreme Beings Of Leisure, Oneness

Tied to all you believe  
Drifting far from all you receive  
Let your mind fall away  
Let your black and white be gray

When you close your eyes and open the window  
Let go of the lies and look at your shadow  
When you close your eyes and open the window  
Let go of the lies and look at your shadow

Close your eyes  
You can see further  
High Frequency
