

Surreal, Always On My Mind

feel me
i'm not dreaming

you are always, on my mind
now is the time, always on my mind
i will always, let you inside
forever this time, always on my mind

you are always, on my mind
now is the time, always on my mind
i will always, let you inside
forever this time, always on my mind

touch me, feel me, am i dreaming
or is this reality
see me, hear me, hear me calling
this is your destiny

you are always, on my mind
now is the time, always on my mind
i will always, let you inside
forever this time, always on my mind

hear me calling

you are always, on my mind
now is the time, always on my mind
i will always, let you inside
forever this time, always on my mind
