

Surferosa, Supersonic

You up in the sky
You going down
And the walls are getting hard
Getting harder oh so hard
And the snow is getting warm
Getting warmer oh so warm

This is the way the story goes
This is the way the story goes
Goes
Goes

Spook spook spook
Did you get scared?
It was a cravage of goodbye
When he died

And this is the way the story goes
And this is the way the story goes
And this is the way, and this is
And this is the way, and this is
And this is the way, and this is
And this is the way

And this is the way, and this
And this is the way, and this
And this is the way, and this
And this is the way, and this is
