

Susan Ashton, I Ain't Gonna Fall For Love Again

You seem like the quiet type don't say much well that's all right
There was a time that might have reeled me in
Yeah but that was then I'm wiser now least I think so anyhow
And I ain't gonna fall for love again

I won't say that I won't miss the promise of a long slow kiss
What I miss is more than I can stand
But the price is just too hard to pay it's easier to walk away
And I ain't gonna fall for love again

Isn't it funny how I finally find you now
But you're just a little late yes there's this promise that I made
That I don't intend to break not for anyone

[guitar]

Oh isn't it funny how I finally find you now
Oh but I've already been left out on a limb
And I won't risk that fall again not for anyone

I don't mean to be unkind I hate to see you waste your time
Cause I ain't gonna fall for love again
No I ain't gonna fall for love again
