

Susanna Hoffs, Alfie (What's It All About, Austin)

What's it all about, Austin?
Is it just for the moment, we live?
What's it all about, when you sort it out, Austin?

Are we meant to take more, than we give
Or, are we meant to be kind?
And if, only fools are kind, Austin

Then I guess, it is wise, to be cruel
And if life belongs, only to the strong, Austin
What will you bend, on an old, golden rule?

As far as I believe, there's a heaven above, Austin
You know, there's something much more
Something even non-believers, can believe in

I believe in love, Austin
Without true love we just exist, Austin
Until you find love you've missed, you're nothing, Austin

When you walk, let your heart, lead the way
And you'll find love anyday, Austin
