

# Susanna Hoffs, Austintatious

With your style  
And your smile  
Your philosophy  
Makes a girl  
Like myself  
Really want to be  
With you

You are so  
Austintatious  
Thant's the reason why  
Joie de vivre  
So contagious  
You're a superspy

Like a star  
In the sky  
You can light my way  
And I'd Trav-  
El through time  
Just to spend the day  
With you

You are so  
Austintatious  
Thant's the reason why  
Joie de vivre  
So contagious  
You're a superspy

Flamboyant  
With an emphasis on 'boy'  
For you're imagination  
consider me your toy

You are so  
Austintatious  
Thant's the reason why  
Joie de vivre  
So contagious  
You're a superspy  
You're a super guy  
You're a superspy  
You're a super guy
