As I lay my head down to sleep  
I wish that I could keep  
All of the roses that you have placed  
At my feet.

Where am I goin'  
Is it somewhere I've been  
Will my whole body disappear  
I wanna be where my wishes come true  
Wish I was lyin' with you  
With you.

When in my dreams I see you again  
Reach out and feel your skin  
Instead of the shape here in the bed  
Where you once had been.

Where am I goin'  
Will I see you again  
Or fall into the vacuum of your eyes  
You turn the radio down not to wake me  
Wish I was lyin' with you  
With you.

Wish I was lyin' with you.

Ohhhh.

Where am I goin'  
Is it somewhere I've been  
I've longed to tell you how I feel  
Not like I always keep it concealed  
Wish I was lyin' with you  
With you.

Wish I was lyin' with you.

Ohhhhh.
