

Susanne Georgi, La Teva Decisi

S que mestimes malgrat tot,
que desconfies de la sort.

Per no pots negar

- s un error-

deixar-ho tot ser

la fi del nostre amor.

Youve got to get a life

thats what you say to me

but I would rather die

if youre not in it with me

Im gonna get a life

the kind thats made for two

I know theres only one

I want to live it with you

I- ah ah ahi

I ah ah ahi

I know that Im right

I ah ah ahi

Im getting a life

s el moment de corregir.

Ladu ser com un sospir

Confiar que lendem

lamor tornar a ami.

Youve got to get a life

thats what you say to me

but I would rather die

if youre not in it with me

Im gonna get a life

the kind thats made for two

I know theres only one

I want to live it with you

I- ah ah ahi

I ah ah ahi

I know that Im right

I ah ah ahi

Im getting a life

Sabrem lluitar, sabrem seguir,

mirar el futur, trobar-te i ser feli.

Youve got to get a life

thats what you say to me

but I would rather die

if youre not in it with me

Im gonna get a life

the kind thats made for two

I know theres only one

I want to live it with you

I- ah ah ahi

I ah ah ahi

I know that Im right

I ah ah ahi

Im getting a life
