Suziquatro, Fever

(Davenport/Cooley)

Never know how much I love you Never know how much I care When you put your arms around me I get a fever that's so hard to bear

You give me Fever When you kiss me Fever when you hold me tight Fever In the morning Fever all through the night

Sun lights up the daytime
The moon lights up the night
I light up when you call my name
And you know I'm going to treat you right

You give me Fever When you kiss me Fever when you hold me tight Fever In the morning Fever all through the night

Everybody's got the Fever That is something you all know Fever isn't such a new thing Fever started long ago

Romeo loved Juliet
Juliet she felt the same
When he put his arms around her
He said, " Julie baby, you're my flame."
And I give you Fever
Fever When we're kissing
Fever with our flaming youth
Fever
I'm on fire
Fever yeah I burn forsooth

[This verse not used by Suzi] Captain Smith and Pocahontas Had a very mad affair... Oh daddy no don't you dare He gives me Fever

Now you've listened to my story Here's the point that I have made Chicks were born to give Fever Be it Fahrenheit or Centigrade

They give you Fever
When you kiss them
Fever if you live and learn
Fever 'til you sizzle
Fever
What a lovely way to burn [x8]
